DAILY SCHEDULE

Campers will participate in a variety of activities throughout the week. The camp day operates on a 45 minute block schedule. Each block will be assigned a particular activity with many being led by our Camp Specialists. Camp Specialty areas include: Art, Sports, Drama, Nature, Science, Music, Cooking, Israeli culture & Archery. HEALTH & SAFETY

Even though summer is filled with fun, safety is our number one priority. We take the care of your children seriously. Annually our camp is registered with the State of NY Health Department and is licensed as a Summer Day Camp. Our annual inspection ensures we are in compliance with all safety standards.

Camp Chaverim will have a Camp Nurse on-site during the camp day from 9am-4pm daily. In addition to having a trained medical professional our Camp Supervisory team are trained yearly and receive certifications in CPR, first aid & responding to emergencies.

Families will receive schedules before the start of camp. Swim Lessons will align with the Red Cross Learn to Swim program led by certified swim instructors.

**Swim Reports will be
sent home at the end of
Weeks 3, 6 & 8.**

JEWISH PROGRAMMING

Camp at Schenectady JCC has been a tradition for more than 90 years. Throughout that time, SJCC has developed a strong program of themed activities steeped in Jewish Values.

SJCC uses the JCC Association's TAG curriculum. TAG is an acronym for Torah (learning and living), Avodah (service and spirituality), and Gemilut Chasadim (acts of loving kindness). Camp has selected values and each week Unit Heads will do fun and engaging activities based on the weekly theme. All of the units will focus on universal values that are important to all campers. Our Camp Chaverim Values will help reinforce the Jewish values that campers will learn about over the course of the summer.

We are also happy to be joined by one of our local Shinshinim through the Jewish Federation. A Shinshinim spends the entire year in the Capital Region. They will join camp as our Camp Israeli Culture Specialist. This program offers an opportunity for campers to meet and get to know young Israelis and learn about their home and life in Israel. The highlight of everyone's week is when all of camp come together to celebrate Oneg Shabbat!
