CLASS DESCRIPTIONS

BEGINNER - Newer players can use this time to hone their skills and gain experience, playing games with other beginners at a pace conducive to development. This session is best suited for players with prior instruction or experience.

INTERMEDIATE - Players will find this session to be more challenging. At this level, players should have game play experience, good paddle skills, and a clear understanding of the rules and scoring.

ADVANCED - This is the most competitive session, featuring a fast pace of play and a variety of styles (e.g. power, spin, dinking, etc.). At this level, mobility, experience, and paddle skills are a must.

PARTICIPANTS MUST BE REGISTERED TO PLAY & ARE LIMITED TO THREE SESSIONS. A WAITLIST WILL BE AVAILABLE FOR MEMBERS ONLY.

Please email pickleball@schenectadyjcc.org if you are unable to attend a session so the waitlist can be activated.
