

# MOHAWK Honda

The Mohawk Brand has been a staple in the Capital Region since 1919. Mohawk Honda, located at 175 Freemans Bridge Rd in the town of Glenville, has been established since 1971. The experience at Mohawk is unlike any other dealership. We create a casual and fun atmosphere so every time you come in it feels like a Saturday. This results in a car buying and ownership experience customers will not find anywhere else.

We are also highly active in our community, not just in sponsorship dollars but in volunteer hours, supporting our charities at their events when possible.

**“WE GO OUT OF OUR WAY TO PLEASE YOU”**
